CMPE 360
Hands-On Activity 3

Name(s):

Your goal is to complete the *Rendering* part of the Pixar-in-a-Box course at Khan Academy. Pixar in a Box is a behind-the-scenes look at how Pixar works to generate images and animations.

To complete the exercise, go to:
- https://www.khanacademy.org/computing/pixar then #rendering

Complete Unit 15 (Rendering), **both** subtasks *Rendering 101* and *Mathematics of Rendering*.

Take a snapshot of your progress report and upload it to LMS.
